

No 6 30th November 2020

Published by FCC in conjunction with the Archdeaconry of London

Readers will be aware that the current national state of Lockdown which commenced on Thursday 4th November is to be revised. The new conditions of Tier 2 will commence on Wednesday 2nd December. This will necessitate yet another revision of the detailed compilation of information concerning access to City churches and the conditions of access to events taking place in them. This is taking place and we hope to publish another of our special online editions of City Events on Monday 7th December covering at least a two week period. Also we hope to publish an online edition of City Events covering the all-important period of Christmas. As always we feel that we would be failing in our aim of attempting to supply up-to-date information in these turbulent times if we did not note the several online events taking place in the week commencing Monday 30th November up to Sunday 6th December inclusive. These are listed below in a somewhat concise form. It is our hope that the edition of City Events to be published online on Monday 7th December will revert to our normal format.
